

# Test Verification of Conformity

Verification Number: 200513057-GZU-VOC001

On the basis of the referenced test report(s), sample(s) tested of the below product have been found to comply with the standards harmonized with the directives listed on this verification at the time the tests were carried out. Other standards and Directives may be relevant to the product. This verification is part of the full test report(s) and should be read in conjunction with it <them>.

Once compliance with all product relevant **CE** mark directives are verified, including any relevant e.g. risk assessment and production control, the manufacturer may indicate compliance by signing a Declaration of Conformity themselves and applying the mark to products identical to the tested sample(s).

Applicant Name & Address:

Product Description:

Wash Basin

Ratings & Principle Characteristics:

See Appendix

Models/Type References:

See Appendix

Brand Name:

---

Relevant Standards/Directives:

EN 14688: 2015+A1: 2018 (E) Sanitary appliances-Wash basins-Functional requirements and test methods

Verification Issuing Office Name & Address:

Date of Tests:

May 15, 2020 to May 20, 2020

Test Report Number(s):

200513057GZU-001

This Verification is for the exclusive use of Intertek's client and is provided pursuant to the agreement between Intertek and its Client. Intertek's responsibility and liability are limited to the terms and conditions of this agreement. Intertek assumes no liability to any party, other than to the Client in accordance with this agreement, for any loss, expense or damage occasioned by the use of this Verification. Only the Client is authorized to permit copying or distribution of this Verification. Any use of the Intertek name or seal of its marks for the sale or advertisement of the tested material, product, or service must first be approved in writing by Intertek. The observations and test/inspection results referenced in this Verification are released only to the sample tested/inspected. This Verification by itself does not imply that the material, product, or service is or has ever been under an Intertek certification program.
